"HUMAN HEARTS."

"Human Hearts", the melodramatic success announced at the Grand for Thursday night appeals to every class of play-goers. It deals with a story that teems with heart interest from beginning to end. Tom Logan, an honest young blacksmith in the Arkansas hills, falls in love with and marries a reformed confidence woman. The dull country life soon palls on her. She accidentally meets her former lover and "pal". Without any just cause they conspire together to ruin Tom and kill him if necessary. They go to his home. The woman rings the bell while her accomplice conceals himself. The father of Tom responds and is mistaken for the young blacksmith. He is fatally stabbed by the ambushed man. Tom, coming out to see where his father is, is accused by the adventuress and her "pal" of the murder. He is finally sentenced on that charge. But his friends ultimately establish his innocence and he is released. Retribution overtakes his villainous and murderous accuser. No play of its kind possesses a stronger plot or more sensational incidents. The serious element is mingled with comedy, forming a combination that never fails to touch a responsive chord in the hearts of play-goers. Prices, 25, 50 and 75c. Seat sale opens this morning at the box office.

The excruciatingly funny comedy, "Two Married Men" follows "Human Hearts" at the Grand, on January 8th, at popular prices.

W. A. Brady's greatest success, "Way Down East," will be at the Grand on January 11th. The play will be several theatrical parties from various adjacent towns and it will be one of the season's big events. Manager Porter will give particulars regarding prices, etc., cheerfully by mail or telephone.

W. C. Davis has moved his gun and repair shop into the building occupied by Jno. Connelly, next door to bowling alley. Saws, lawn mowers and scissors sharpened; keys fitted; locks and trunks repaired. All work guaranteed.

Reliable and Gentle.

"A pill's a pill," says the saw. But there are pills and pills. You want a pill which is certain, thorough and gentle. Most'n't gripe. DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force but assist the bowels to act. Strengthen and invigorate. Small and easy to take. W. T. Brooks.

Bronchitis

"I have kept Ayer's Cherry Pectoral in my house for a great many years. It is the best medicine in the world for coughs and colds."
J. C. Williams, Attica, N. Y.

All serious lung troubles begin with a tickling in the throat. You can stop this at first in a single night with Ayer's Cherry Pectoral. Use it also for bronchitis, consumption, hard colds, and for coughs of all kinds.

Three sizes: 25c., 50c., \$1. All druggists.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

The East Tennessee Telephone Co. W. O. Carrick, Supt.

The introduction of the telephone and its time-saving methods have completely revolutionized all methods of doing business, and an adjustment to the new order of things has been and is being rapidly made. To the people of Scott county is offered, through the East Tennessee Company, a service unlimited in extent, for it covers not only this section, but through connecting lines in thirty-six States. The Georgetown exchange organized but a few months ago, already has over 450 local orders, and through the indefatigable efforts of its superintendent, Mr. W. O. Carrick, new names are being daily added, and new stations installed in all surrounding towns and villages, the aim of this gentleman being to give to the people of this vicinity telephone advantages which in point of service and equipment are not to be excelled anywhere. The time has arrived when the progressive farmer considers the telephone a necessary part of his business equipment. It is a time-saver and a labor-saver, and this means much to the busy man. In cases of sudden illness or accident, the telephone pays for its use a hundred-fold; market reports can be secured several times daily, and business can be transacted in town at one's own convenience. Much credit is due to the ability and bustling qualities of Mr. Carrick, who has given to the inhabitants of this section in a very short space of time, a service which is equal to the best and at prices as low as are asked anywhere. The Children's Friend.

You'll have a cold this Winter. Maybe you have one now. Your children will suffer, too. For coughs, croup, bronchitis, grip and other Winter complaints, One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes: "Our little girl was attacked with croup late one night, and was so hoarse she could hardly speak. We have her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup." W. T. Brooks.
